

Carlos & Jason Sanchez

New Work

CHRISTOPHER CUTTS GALLERY

The Christopher Cutts Gallery is pleased to participate in the 2022 Scotiabank Contact Photography Festival with new photographs by Montreal-based artists Carlos and Jason Sanchez. This is the first body of work the brothers have produced since releasing their debut feature film, *Allure*, in 2017.

Carlos and Jason photograph meticulously staged scenes. Imbued with eeriness, a sense of suspense, and sometimes explosive sensationalism, their images are mystery stories that detonate in the viewer's mind. Through the intricacy of their custom-built sets and chosen locations, along with their masterful use of lighting and precise composition, the brothers freeze enigmatic moments from narratives that are never fully revealed.

Accompanying the exhibition is a new monograph on their work titled *The Mystery of*, written by Adam Leith Gollner and published by Anteism Books.
